Owners of Horses Take to the Side Streets When Puffing Vehicles Come

[SPECIAL DESPATCH TO THE HERALD.] Saratoga, N. Y., Sunday,-One of the most striking automobile parades ever seen in this country took place here to-day, forming in front of the United States Hotel, and after a short run through streets of the village going out past the race track into the country almost as far as good roads extended. It was said that the parade was unplanned, that it "just happened," but if that is so it was all the more remarkable. Nearly fifty machines were in line.

Of those registered at the United States Hotel a score have automobiles with them, The result was a gathering of fifteen machines, some of them being well known in Broadway and Fifth avenue. In the party from the United States ere Mr. and Mrs. E. R. Thomas and riends, in a forty-five horse power fercedes; a party invited by Mr. Thomas.

best of the year.

John McGraw, the manager of the Giants, in conversation to-night said he did not have the heart to censure his players where so many games had been lost by
a bad run of luck rather than bad playing. "We happened," said he, "to make
our errors in the games in which we
batted well and lost some of those. In
other games we could field perfectly but
were unable to hit safely, although the
men were meeting the ball well all the
time."
